RECOGNIZING THE CIVIL AIR PATROL

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Madam Speaker, I rise today to recognize the outstanding work of the Civil Air Patrol, otherwise known as CAP. I have had personal experience with Civil Air Patrol, as my son, Trey, was a member of the Civil Air Patrol while in high school. He gained valuable leadership skills that led him to graduating from the U.S. Naval Academy and now serving as a captain in the U.S. Marine Corps.

The Civil Air Patrol protects our homeland by serving as the Air Force's official auxiliary. CAP is active in all 50 States.

Last year alone, the Civil Air Patrol saved 130 lives while responding to devastating natural disasters such as floods, hurricanes, tornadoes, and wildfires. CAP also helped States distribute COVID-19 test kits, personal protective equipment, and other essential goods, making it their largest mobilization effort since World War II.

Greater funding for the force will allow the Civil Air Patrol to train more pilots, continue its cadet program, and purchase much-needed equipment. I want to thank the Civil Air Patrol national legislative coordinator, Dr. Gerald Marketos, for his strong leadership and compassionate commitment to our Nation. I urge my colleagues to join me and Representative MIKE THOMPSON to support Civil Air Patrol funding appropriation requests for fiscal year 2022.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which the yeas and nays are ordered.

The House will resume proceedings on postponed questions at a later time.
